I grant to Capitol Physical Therapy and its affiliated entities, and its representatives and employees (collectively the "Company") the right to take photographs and/or videos of me in connection with my participation in physical therapy services. I authorize the Company, to copyright, use and publish the same in print and/or electronically. WORKERS COMPENSATION PHYSICIAN EXAMINATION NOTIFICATION FORM

As a patient under workers compensation, I understand that it is my responsibility to notify my therapist of any upcoming medical appointments. This includes but is not limited to examinations by the physician following my case and care, IMEs (Independent Medical Examinations), and any diagnostic testing including x-rays, MRIs, EMGs, etc.

I realize this communication is important for two reasons:

1. My therapist would like to update the physician who is following my case on how I am responding to physical therapy treatment.
2. I realize that the results of an IME (Independent Medical Examination) could result in denial of future physical therapy and I would like to avoid any unnecessary costs to me. (An IME involves a case review and physical examination conducted by a physician hired by the workers compensation insurance company).

PLEASE NOTE: In the unlikely event that my account would be denied by workers compensation, I am aware that Capitol Physical Therapy will bill my personal health care insurance. I realize that I may be responsible for my health care bills if denied by workers compensation and not paid by my personal health insurance. I am aware that Capitol PT is not a provider for Unity HMO, Group Health Cooperative, and Dean HMO health insurance plans.
